

FRONTIERING™ YOUR LEGACY

Maximize your contribution to world progress

**2011 ACTION-LEARNING PROGRAMS BASED ON
Leadering™ - Paradigm Shift To Peak Legacy**

FRONTIERING™ YOUR LEGACY

Frontiering™ Breakthroughs in your Personal Science

This 6-month program under the guidance of Lauren Holmes (Leadering's developer) groups 10 people via telephone and internet to take the Leadering Paradigm Shift program together and then apply it to advance their personal science to the highest levels of achievement, meaning, and profitability.

This program supports individuals and groups in capitalizing on the Leadering paradigm to achieve specific project goals which break through new frontiers for applying their key talents and the 'personal science' that has built up or can be built up around them. This program is renewable for successive 6-month periods if you want to simultaneously use your 'frontiering' to accelerate the development of your functionality and expertise within the Leadering paradigm while accelerating your speed of breakthroughs.

Fee: \$10,000US
